

In September, Fimiam Church resumed the work in many spheres of ministry following the summer break.

A new academic year started at “Treasury of Wisdom” Christian School. The school began to function five years ago and now has six grades. The first grade class played a special role in the festive ceremony which took place on September 1. At the end of the program, Pavlo Myronyuk, senior pastor of Fimiam Church, addressed all of the students and their relatives, stressing that all things are possible with God.

On September 2, our “Little Star” Preschool opened its doors for the new preschoolers and also celebrated its 10<sup>th</sup> anniversary. We are glad that people not only from our neighborhood but also from others entrust their children to us. Many more parents would like to enroll their children, but there are no more openings. We can accept 96 preschoolers to the “Little Star” Preschool every year.

“Together Again” was the theme of the children’s meeting which took place on September 4. Participants from the summer retreats gathered together and recalled the retreat atmosphere by having a roll call, singing the retreat songs, playing a large team game and listening to God’s Word. At the end of the meeting, they were invited to join the “Smiley” Christian Children’s Club.

On September 10, children who had joined “The Bible Treasury” Correspondence Club had a general meeting in which Pastor Alexander Hrebnyuk spoke about God’s love and His ability to forgive the sins of everyone who asks Him. There were also Christian songs, fellowship, games and presents.

The first meeting after summer break for young people with special needs was held outdoors on September 17. It began with remembrances about the summer retreat and its songs and games. People whose birthdays were during the summer were congratulated and all visitors enjoyed fried sausage, cake and fruit. Afterward, there was a devotional about Jesus and His disciples on the sea in the storm and how this story teaches us to always trust God and have faith.

A sporting event was organized on the territory of Fimiam Church on Father's Day, which was September 18. There were floorball and handball competitions, a taekwondo presentation as well as a concert by Ukrainian Christian artist Slavko Svyatynchuk. Kulish, a Ukrainian dish of thin gruel, was prepared in the open and everyone who desired could enjoy a portion. Cotton candy was also provided for children. We are glad that the people of our neighborhood are not afraid to enter the territory of Fimiam Church and to take part in the events we organize.

Thanksgiving Day was celebrated in Ukraine on September 25. There was a festive public worship service at Fimiam Church where everyone could give thanks to God for all that we have received from Him physically and spiritually. We can do nothing without our Lord Jesus Christ!

The Practical English School (PES) started its work on September 29 with over 150 people enrolled. The meeting began with all participants gathered in the large hall of Fimiam where they sang Christian songs in English got acquainted with the English teachers and were divided into groups according to their language levels. The next hour was spent in these groups and then everyone returned back to the hall for a game and presents. The English lessons will be provided each Thursday for 10 weeks. Beginning in October, the participants of the PES will begin a Bible study in English. Please pray that these people will accept the Good News.
